

General Labor for HCI Steel Buildings (Arlington)

compensation: **DOE: Hourly plus Benefits**

employment type: **full-time**

Steel structure installer needed. Driver license and authorization to work in the U.S. is mandatory. Must be willing to travel with provided vehicle.

The right candidate will be erecting metal tubing frames (square and round), installing steel panels, metal trim, insulation, metal doors, roll up doors and other components.

Must be a team player, polite with customers and detail-oriented. Must be able to handle various projects efficiently, be on time to work, and willing to learn.

General carpentry, steel stud framing or sheet metal experience helpful.

Background check and pre-employment drug and alcohol testing is required

Pay rate DOE.

Please send a completed resume.
