

Welder

Company: HCI Steel Buildings offers custom designed, pre-engineered storage buildings and mini-storage's - commercial grade, energy efficient buildings.

Company Location: 17833 59th Ave NE, Ste C Arlington, WA 98223

About Us:

Our steel building manufacturing company needs a Welder/Fitter to join our team. We are looking for a hardworking, team player who enjoys meeting challenges and surpassing customer expectations. The job includes such things as welding work in-house to complete jobs for customers to be on time and on budget. Some projects might require short-term traveling, such as one or two days, but we pay travel expenses, lodging and meals. We are looking for a long-term candidate who is looking for a secure and rewarding form of employment.

Job Requirements:

- WABO Certified structural Welder
- Read and interpret project plans, blueprints and other written instructions and diagrams to perform task at hand
- Knowledge of construction site best practices and safety procedures
